

Give your employees another reason to work for you with the TELUS Employee Purchase Program for TELUS Wireless Services.

Organizations grapple daily with employee retention and satisfaction. Offering valuable employee perks can help make a difference. Our TELUS Employee Purchase Program (EPP) gives you the opportunity to extend valuable mobility savings and services to your employees and their families. With the TELUS EPP, your employees are entitled to an exclusive discount off our flexible Your Choice wireless rate plans. Plus, they stay connected on Canada's most reliable and largest 4G Mobile Network.

Your Choice lets your employees create a custom mobile phone plan by choosing from a range of phone, voice and data options.

If they prefer they can even bring their own device – the choice is theirs. With Your Choice plans, your employees can choose:

Phone type	Voice option	Data option
<ul style="list-style-type: none"> Premium Smartphone Smartphone Bring your own device 	<ul style="list-style-type: none"> Unlimited nationwide calling Unlimited local calling 300 local daytime minutes 	<ul style="list-style-type: none"> 5 options ranging from 1Gb to 15Gb Share data with family members or with a tablet

In addition to an exclusive discount on their mobile phone plan, your employees can save even more by:

- Sharing data usage between family members and devices
 - Share data with a tablet for just \$10/month
 - Add up to 4 family members and share your data, from as little as \$55/month each
- Adding TELUS Easy Roam and Passports for affordable roaming
- Subscribing to International Long Distance Saver for reduced long distance rates to over 220 destinations

Why TELUS

- TELUS offers the **most reliable and largest 4G Mobile Network**, serving 99% of Canada's population. With TELUS, subscribers rarely have to roam within Canada (except in rural Manitoba), resulting in improved call quality, reduced latency and improved device/ battery performance.
- We support international roaming in over 200 countries**, and provide TELUS Roaming Passports to make it more affordable. 24*7 dedicated support is available for international travellers.
- TELUS provides **clear and simple pricing** and provides the information, **tools and resources to effectively manage data spend**.

*This offer is available for organizations with 250 more subscribers and is subject to approval based on criteria from TELUS. TELUS reserves the right to refuse participation in the program if the minimum requirements are not met. Upon registering for the program, the organization must adhere to the terms and conditions and notify its employees. Employees must select a plan that is available in their province of residence. The employee offer is based on a two-year term, and the offer is only valid with proof of employment from your organization. Limit of one account per employee for a maximum of five devices. Existing TELUS customers are eligible for the employee purchase program in accordance with the renewal terms and conditions. Device balance must be paid out in full if applicable. TELUS reserves the right to cancel or modify this program and associated offers at any time and without notice. The discount applies to in-market device prices on telus.com/yourchoice (Flash Sales are not included). TELUS and the TELUS logo are trademarks of TELUS Corporation. ©2016 TELUS. 16_00160
